D.O.No.18/57/54-Pub.-I
MINISTER FOR HOME AFFAIRS
New Delhi, the 10th December 1954.

My dear Chief Minister,

11829
6/1/55

For some time now, I have been considering whether it would not be advisable to establish a convention regarding the visits of Ministers of one State to other States. The considerations that have weighed with me are that certain courtesies have to be extended to Ministers and certain security arrangements have also to be made by the State Governments for the protection of visiting Ministers. If any particular State Government has no prior notice of the visit of a Minister to their State, it becomes difficult to make adequate arrangements in time, and embarrassing situations could arise. It seems to me, therefore, desirable in every way, that before a Minister accepts an engagement in another State, he should inform that State Government of his intended visit. In certain circumstances, it might even be advisable to consult that State Government regarding the proposed visit to ensure that that Government is not placed in an awkward position. A convention on these lines is already being observed in the case of Governors and Rajpramukhs. I am sure that you will readily agree that it is essential that Ministers of all States should receive courtesy and consideration in other States also. To enable State Governments to extend these facilities to visiting Ministers a convention of this sort is desirable.

I would be grateful for your views.

Yours sincerely,

K. N. Kautia

Shri C.M. Poonacha,
Chief Minister, Coorg,
MRCARA.

Dear Shri.Govind Bhallab Pant,

Sub: Establishing a convention regarding
the visits of Ministers of one State
to other States.

Please refer to your predecessor's D.O.
letter No;18/57/54-Pub-I dated the 10th December
1954, on the subject mentioned above.

This State Government are in full agreement
with the proposal to establish a convention of
the sort envisaged in Dr.Katju's letter, regard-
ing the visits of Ministers of one State to other
States. Should there be general ~~convention~~
agreement on the convention as proposed, may I
suggest that appropriate instructions be issued
for the guidance of all the State Governments?

With kind regards,

Yours sincerely,

(C.M.POONACHA)

Pandit Govind Bhallab Pant,
Union Minister for Home Affairs,
NEW DELHI.

Dear Sir,

Sub: Requisition of Railway compartments by
Ministers etc.

It has been reported that requisitions for Railway berths and Compartments do not bear the signatures of the Ministers who requisition them but instead the requisitions are usually signed by their Personal Assistants or by their Private Secretaries.

It is pointed out that charges on account of requisitions are not accepted in audit unless they bear the signature of the indentors, namely the Ministers concerned.

I am therefore constrained to issue instructions to my staff that only requisitions which are complete in all respects and signed by the indentors should be accepted in future.

I shall be glad if you will kindly arrange to have the requisitions signed by Ministers concerned instead of by the Assistants or Private Secretaries.

An acknowledgment of this letter is requested.

Yours faithfully,

Chief Commercial Superintendent.
